Nancy-
mmm... a whole page! don't know if I can do it but here goes! It was really alot of fun for me this year & I hope it has been fun for you too... I'll never forget all the stupid things ~~we~~ I laughed at & all the times Ralph & Russ tried to embarass me like the "Rubber Cement". & I don't think I'll ~~*~~ever forget the friend I have in you. you were really the first person I could ever trust (really trust) and that means alot when you can trust someone. & all in all your really a great person....!
"Maybe we can go bowling sometime" ha! ha!
At state naturally! But if you ever ~~what~~ want to come over call, so if I'm in my pajamas I can change! (If any one reads this and doesn't know whats going on they'll thing I'm insane!) To tell you the truth at state, the night we went bowling, walking back to the car I was scared! I thought someone would jump out of the bushes any minute. but I guess luck wasn't with me that night.
Theres so much I want to say but I don't know how without sounding stupid, and mixed up. So... TRY TOO FIGURE THIS OUT!
SANDMAN, *America* Horse with no name (yeah!)

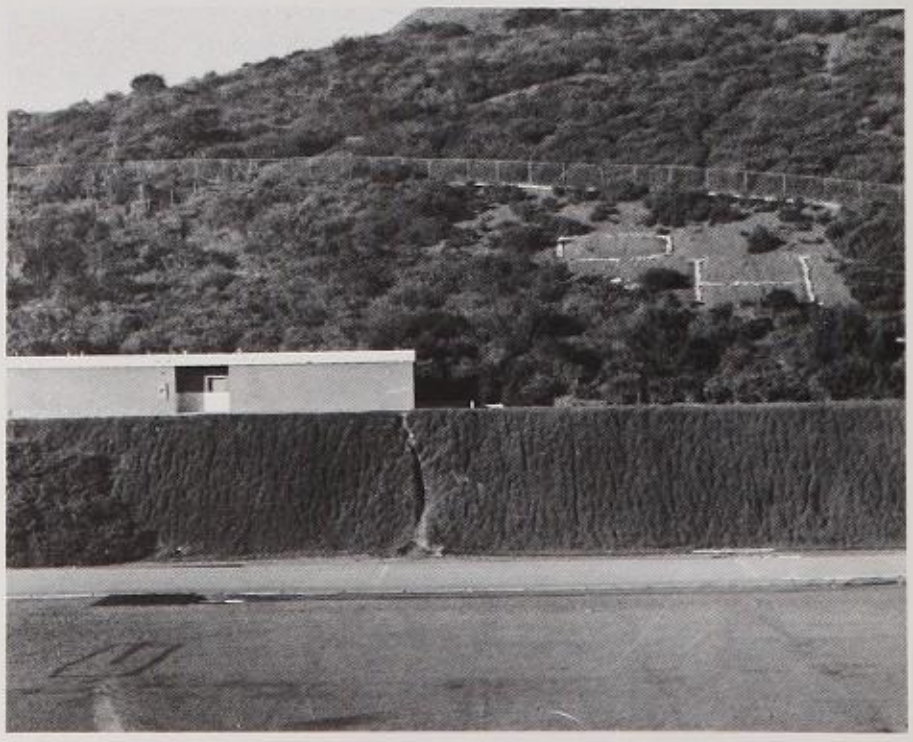
Working hard to get the job done



Looking bare without the bleachers

1974 marked another milestone in the growth of Patrick Henry. With the financial assistance of the school district, and the hard work and dedication of certain members of the community, students, and some staff members, the football stadium was completed to accomodate day football games. The other side of the bleachers were completed and a scoreboard, P.A. system, and a press box were added. The P.H. community will now hope the future will bring lights and a return to night athletic events.

Homecoming, November 15, also marked the dedication of the stadium. Dignitaries from the school district, city council, and the community were on hand for a exciting and moving ceremony. The stadium was a dream come true with the raising of the flag presented by the Honeycutt family in memory of Mr. Honeycutt.

An eventful Spirit Week was started on November 12 with something new-a bump contest. This was followed by the traditional tricycle race on Wednesday. Thursday was the day for nostalgia lovers because it was 50's Day. A special treat to this day was the wearing of long skirts and bobby socks, rolled up pants and slicked back hair by many of the students. During the lunch periods, Ken Edwards of KDEO radio station, played a variety of old favorite songs. Friday's Homecoming rally was sparked by the return of many of last year's cheerleaders. The new Patrick Henry Stadium was officially dedicated during the pre-game pageantry of the game against Morse. The varsity football team claimed the Eastern League title with a 22-22 tie against Morse! Carmella Rosas was crowned our 1974-75 Homecoming Queen by Sally Radius, last year's queen. Spirit Week ended Friday evening with a very successful homecoming dance.

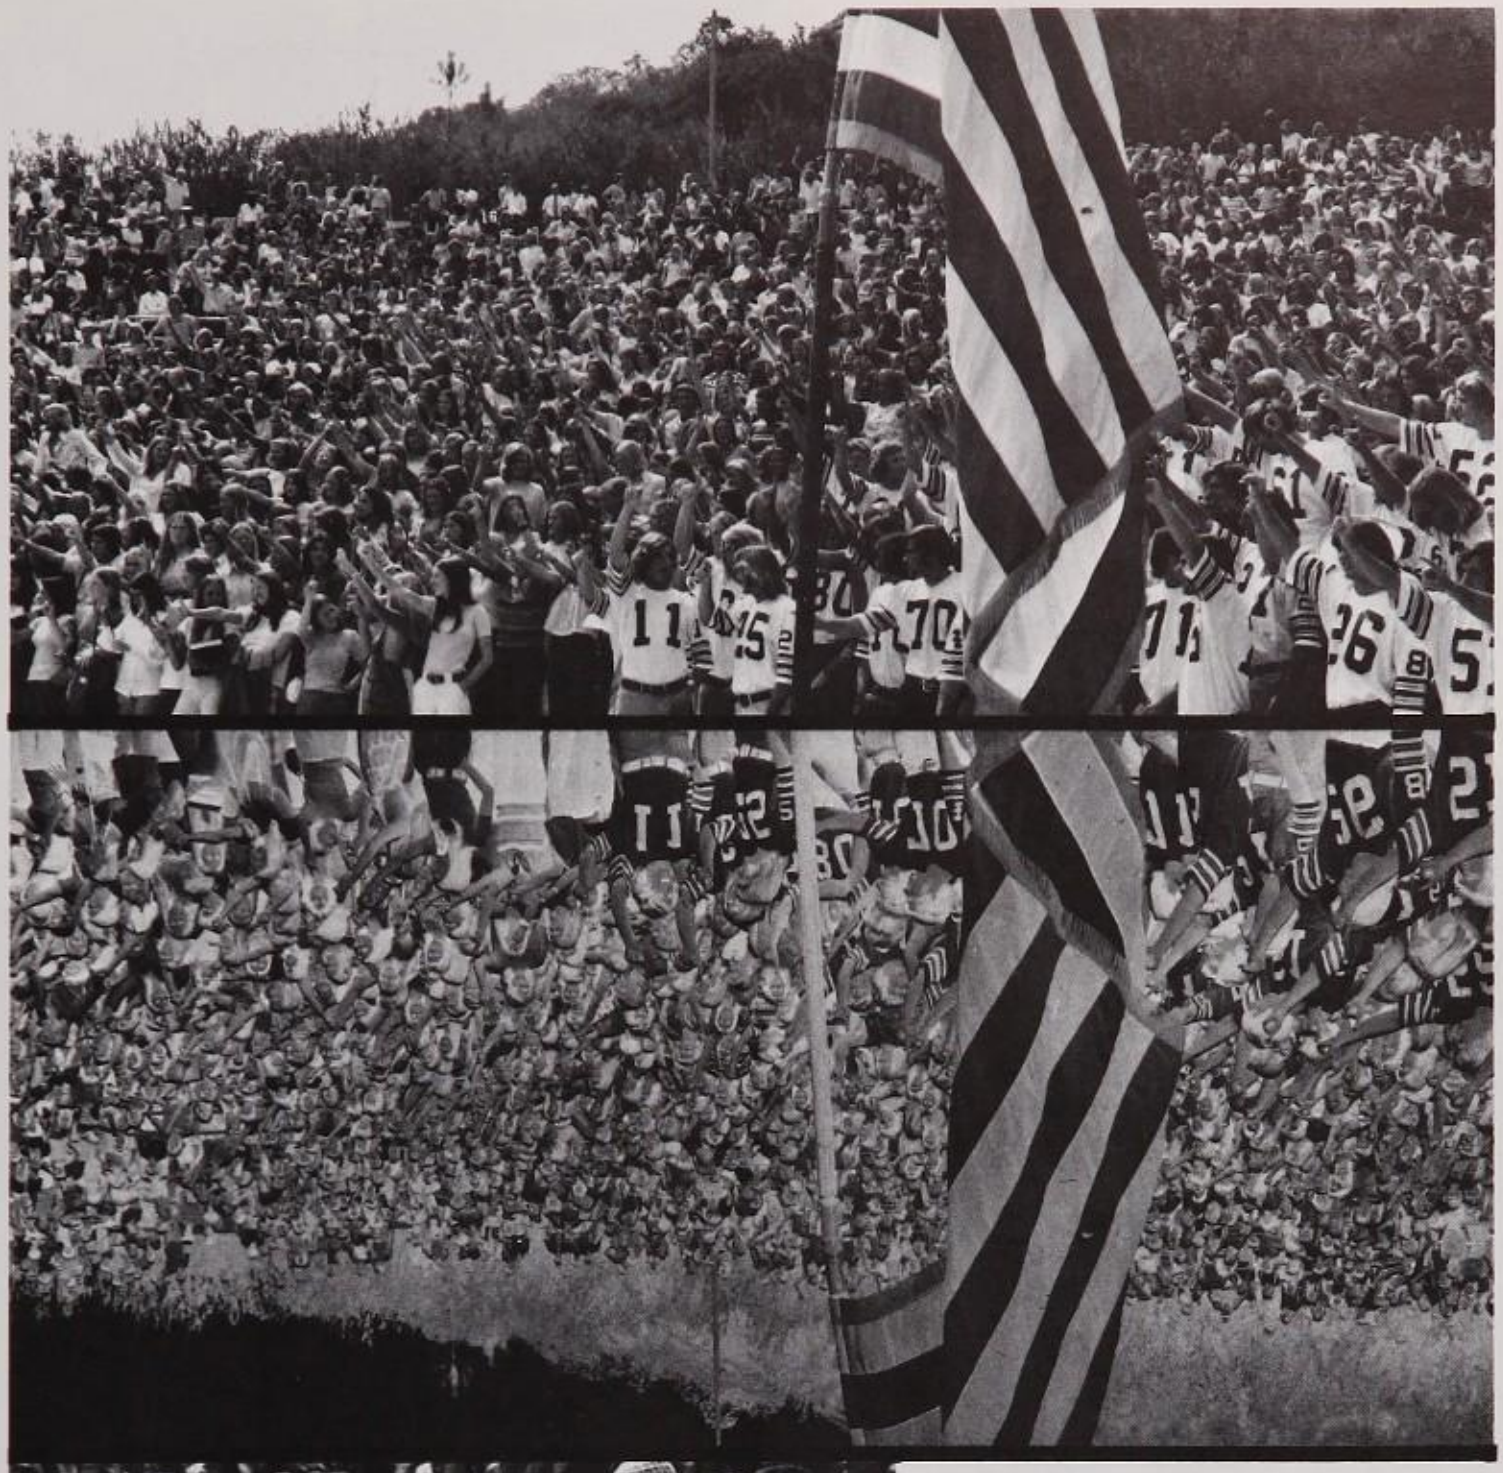
Linda Frommer-Commissioner of Student Activities

R.H. Foreign Exchange students say hello.

Come on and cheer! We ain't got spirit.

Are you sure Howard Cosell started this way?



Not until this year did I realize the effort & work Mr. Miller, the song & cheerleaders, & the pep band put into make the rallies memorable. Most people don't realize the frustrations & disappointments that go along with the excitement & laughter at the rallies, but that's what makes it all worthwhile. All in all, this was an unforgetable year & I hope next year's audiences will be more enthusiastic and make it even better yet.

This year, the senior class experimented with a new activity. This was the Halloween Dance. It was organized with great help from the P.T.A. The band was Sundance and they played a wide variety of songs. Since it was a Halloween dance, costumes were optional although the majority of people did wear them. The students were very original and colorful in their creations and some outstanding costumes resulted.

The dance was held on October 25 in the gym after the great win over Saint Augustine in football. Overall, the Halloween Dance was a huge success, largely due to the hard work of Tracee Werner, this year's chairman of Senior Activities.

The Korean Teenlife Singers

The Korean Teenlife Singers added something special to this year's assemblies; a chance to share cultures through a feeling of brotherhood. While being entertained by unique singing and dancing one was also enlightened by the different customs and traditions. For example, in Korea it is customary to kneel in front of one's parents before addressing them.

It was a very worthwhile assembly and was enjoyed by most everyone who attended.

The fifth annual International Dessert Night was held on March 6, 1975. With the exception of a few technical failures, everything ran smoothly. The hectic rehearsals and last-minute baking paid off in the end with the evening enjoyed by both cast and audience. It was a memorable night for all participants and I appreciated all the effort put forth by both the foreign language department and American Field Service.

"Life With Father," the very successful second Drama Production was set in the Victorian Period of the late 1880's. The play is a lighthearted comedy centering around the father, who with his strict mannerisms tries to get out of being baptized to the discontentment of his wife. He plans the life of his wife and children in terms of his own piece of mind- the dominant male who is always two jumps behind the scattered interests of his wife, and the normal giddiness of his four growing children. In spite of the upmost goodwill between members of the family, things are always getting out of hand and disturbing the even tenor of father's expectations. The humor was sly, the tone was gay, and the characters were dynamite! Cast members included Clayton Moore and Michelle Guisti as the father and mother, with Dean Weichel, Mike Usey, Jo Ann Hoye, Sue Schaffner, and Gaylynn Gastelum completing the family. The rest of the cast included Gigi Gumrukcu, Nancy Groth, and Kathy Davis as visiting relatives; David Daniels as the Reverend; Colleen Murphy as the cook; Andre Wood and Eric Abegglen as the doctors; and Chelli Coulter, Terry Clark and Jenni Hesse completing the cast as the maids.

"Oh, Clare, I'm so happy! You said you loved me."

Gigi Grumrukcu as Cousin Cora listens to a family argument.

John (Mike Usey) and Clarence (Dean Weichel) Discuss a new job.

"Elizabeth can be your Godmother!"

"AWAKENING"

How does Man relate to himself? His fellows? His gods or God? "Awakening" was the drama department's attempt to make a literary, theatrical, musical definition of these relationships. The collage, put together by the cast and the director, Mrs. Krill, ran for four nights in the auditorium during November. Its company played to sellout audiences every night and received standing ovations from everyone! Some of the pieces used in the show were from JESUS CHRIST SUPERSTAR, GODSPELL, FIDDLER ON THE ROOF, THE CRUCIBLE, THE APPLE TREE, and THE SERPENT. Altogether, the show was a great success.

MOODS OF DANCE

Dance Production Class is a performing group that presents two regular programs at Patrick Henry, a Fall and Spring program. Many of the dances performed are created by the dancers. The dance production class actively participate in community performances.

This year they were asked to perform in a Youth Concert sponsored by Project Yes, also at the Gage P.T.A. Founder's Day Celebration and the San Diego City School Art Festival.

The dancers perform in traditional, modern, jazz and theater dance styles. Many hours of technique are spent everyday learning these different styles in preparation for performances.

Throughout the past there has been a tradition at Patrick Henry High that the mighty teachers have always dominated this annual contest against the seniors. This year the seniors came out playing with such complete finesse that they took a 28-26 overtime victory; overcoming the previously unbeaten, but now over-the-hill teachers. Leading the seniors were such players as John Cylke and Ron Forbes at the guards, Mike Boblit and "Ed" Sullivan at the forwards, and playing the post position, having a tenatious night on defense Mike "Pinky" Milner. Coming off the bench John Neuenswander led all scorers. Playing for the "Over the Hill Gang" Dave Bassett, Sam Turner, Bob Litchfield, Dougy Dannevik, Garth DeFelice, Bob Shaughessy, and Paul Zetts. The senior team wishes the teachers better luck next year.

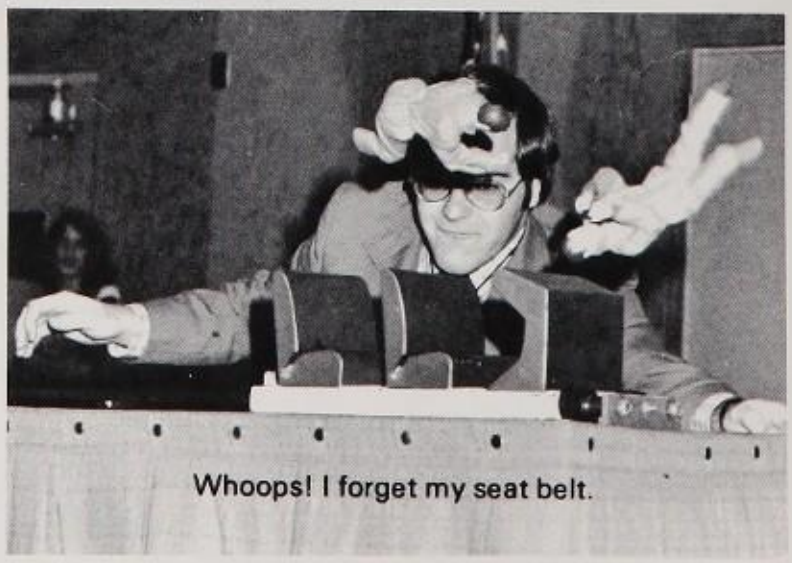
General Motors Science

General Motors Progress of Science Assembly was a mind boggling experience for Patrick Henry. Students were fascinated by what appeared to be gimmickry, however it was really the wonders of modern science. Students also discovered that football player Randy Bennett couldn't even move a small luggage case in a straight line, (the giro scope inside didn't help). The demonstration also produced a cake without a oven. Actually it was a synthetic rubber foam. Towards the end of the assembly, students also witnessed a laser beam dance and move to the modern sounds of today. Perhaps someday, a Patrick Henry student will invent something which will credit all mankind.

What's in this thing?



Whoops! I forget my seat belt.

ALL RIGHT!

All you do is sing-a-long.

The day Charles King came to Patrick Henry turned out to be an experience not many people will soon forget! His bubbling enthusiasm infected all the students. As we expressed our happiness outwardly, we experienced an inner calm and peace of being. Performing with him was not only great fun, but it was an inspiration and a blessing as well.

Atticus Finch

The holiday season was highlighted by "Starlight and Snowflakes," this year's Winter Dance. The annual event, sponsored by the Girl's League, was held on the fourteenth of December, at the Al Bahr Shrine Mosque. The music was by Atticus Finch, who helped to bring everybody into the holiday spirit with a rousing chorus of Jingle Bells. Although the dance is tradition, its success was very untraditional. Many found it to be a joyful way to start the holiday season.

True Devotion

During the week of February 10th through 14th, Black Awareness Week was observed here at Patrick Henry. The week was filled with various activities which included: a play, "To Be Young, Gifted, and Black," by Lorraine Hansberry; several performances by the Patrick Henry Gospel Choir; performances by the Harambee Dancers; a multi- cultural talent show; the selection of Mr. and Miss Black Achievement who were Rod Shade and Romenia Brown; and a display on Black history in the library.

Damsels Display Defensive Desire

Once again the Seniors enjoyed a taste of victory over the Junior girls. With many long hours of practice, the creative Senior offense made possible the only score of the game by a pitch to Margaret Middaugh to put the Seniors ahead 6-0 late in the fourth quarter.

Both defenses did a great job dominating the powderpuff game, but the powerful Senior Defense had little trouble holding the Juniors' inexperienced offense on and off the ground.

We wish to thank the Senior coaches for all their hard work and time they put towards a winning team. To the Junior coaches, well, better luck next year.

So, as the Seniors won the powderpuff game, the Juniors powdered their noses.

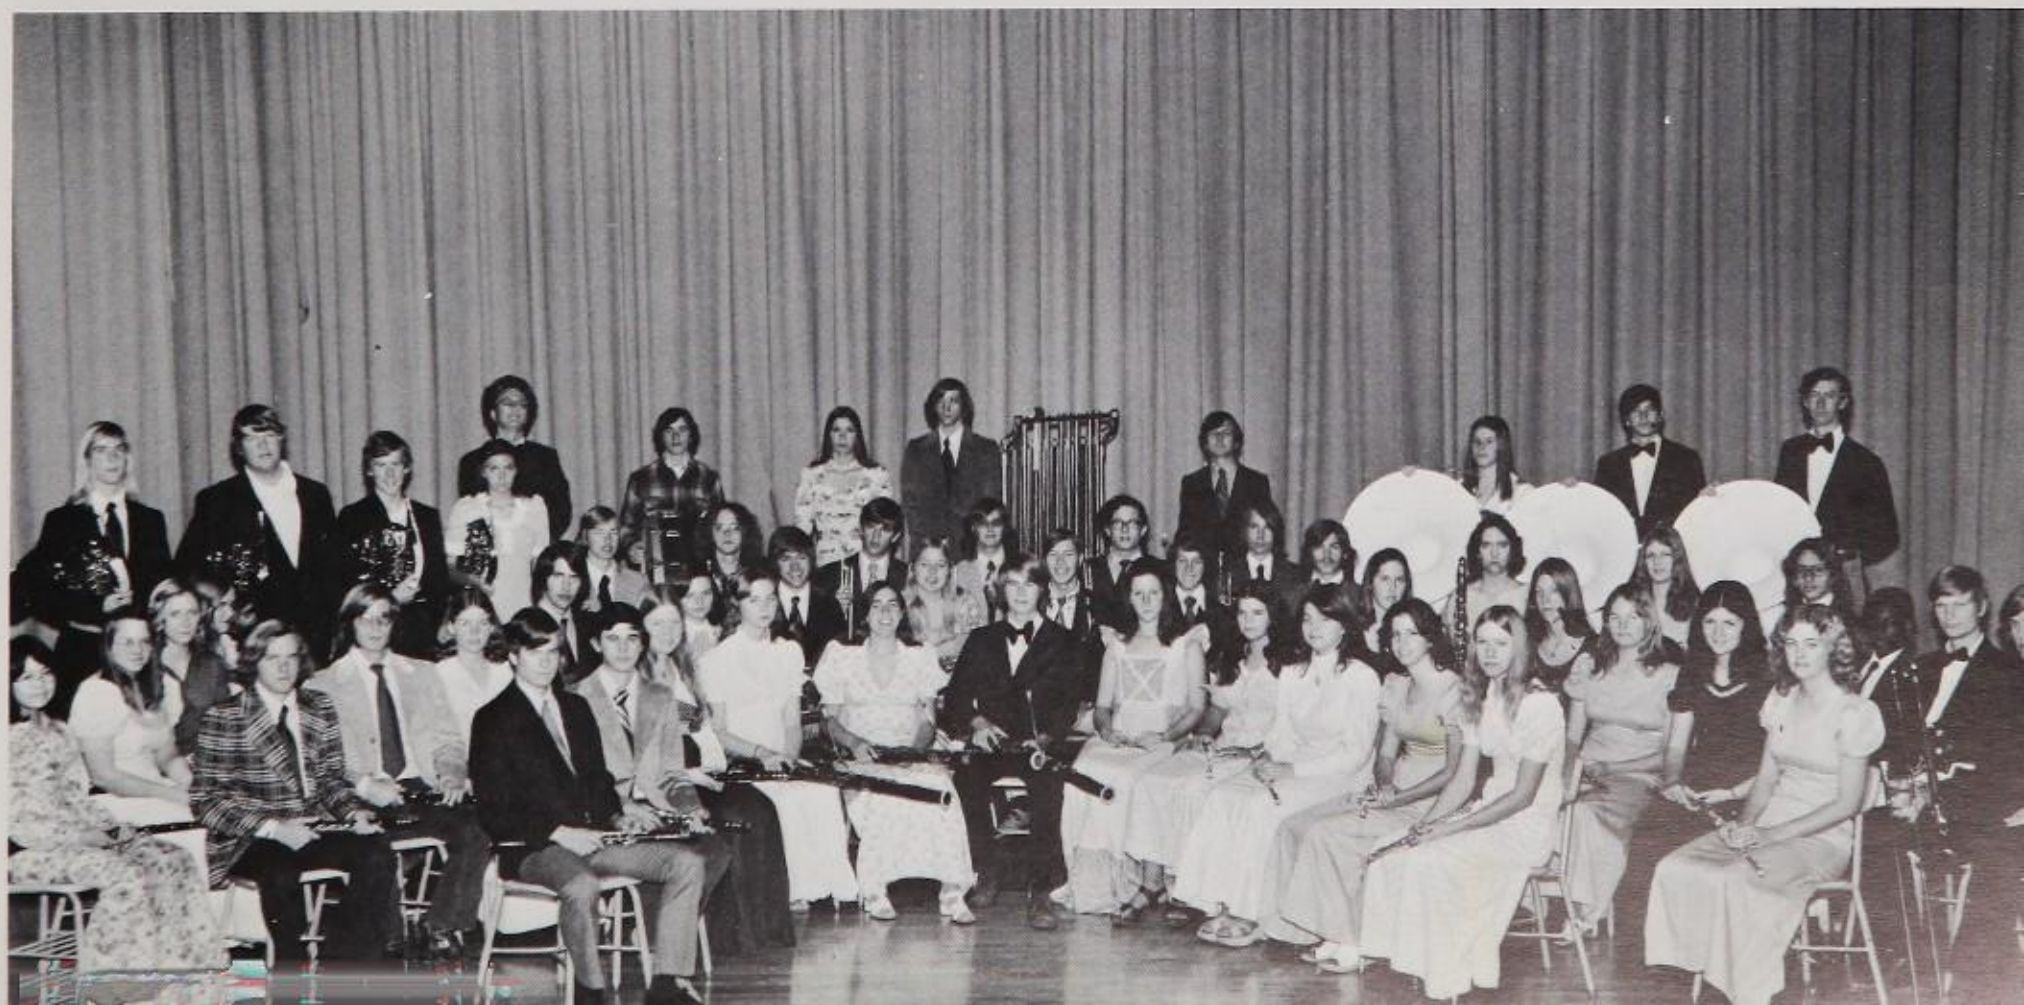
Patrick Henry's Symphony Orchestra, under the direction of Dr. Robert Henderson, had a fantastic year. We participated in many activities such as concerts, demonstrations at elementary schools, festivals and the prestigious San Diego City-County Music Educators Dessert Night at the Bahia Hotel. We had many members who played solos or in small groups at competitions. We hope to have many more years such as this in the future.

This year's Symphonic Band, under the direction of Mr. Christiansen, is one of the best in the school's history. Made up of 60 of Henry's finest instrumentalists, the band participated in many concerts and festivals including the California Administrators Conference, and a concert with San Diego State University's Wind Ensemble. We hope to continue in this tradition of excellence for years to come.

SWEET SONGS, SOUL SONGS, GOOD OLD ROCK AND ROLL SONGS!

Led by Dr. Robert Henderson, the Concert Band is Patrick Henry's second band. Comprised of less experienced musicians, this band is one of the finest in their class. This year they have participated in the District Festival at Southwestern College, and many members participated in solo ensemble competitions in the county.



The quality of Jazz musicians this year has never been equaled since the school's existance. These people set unbelievable goals, both physically and musically, and came through on top. They participated at the Reno International Jazz Festival and Received outstanding trumpet section award at Neff Jazz Festival. These musicians have musical ability far beyond that of regular high school musicians.

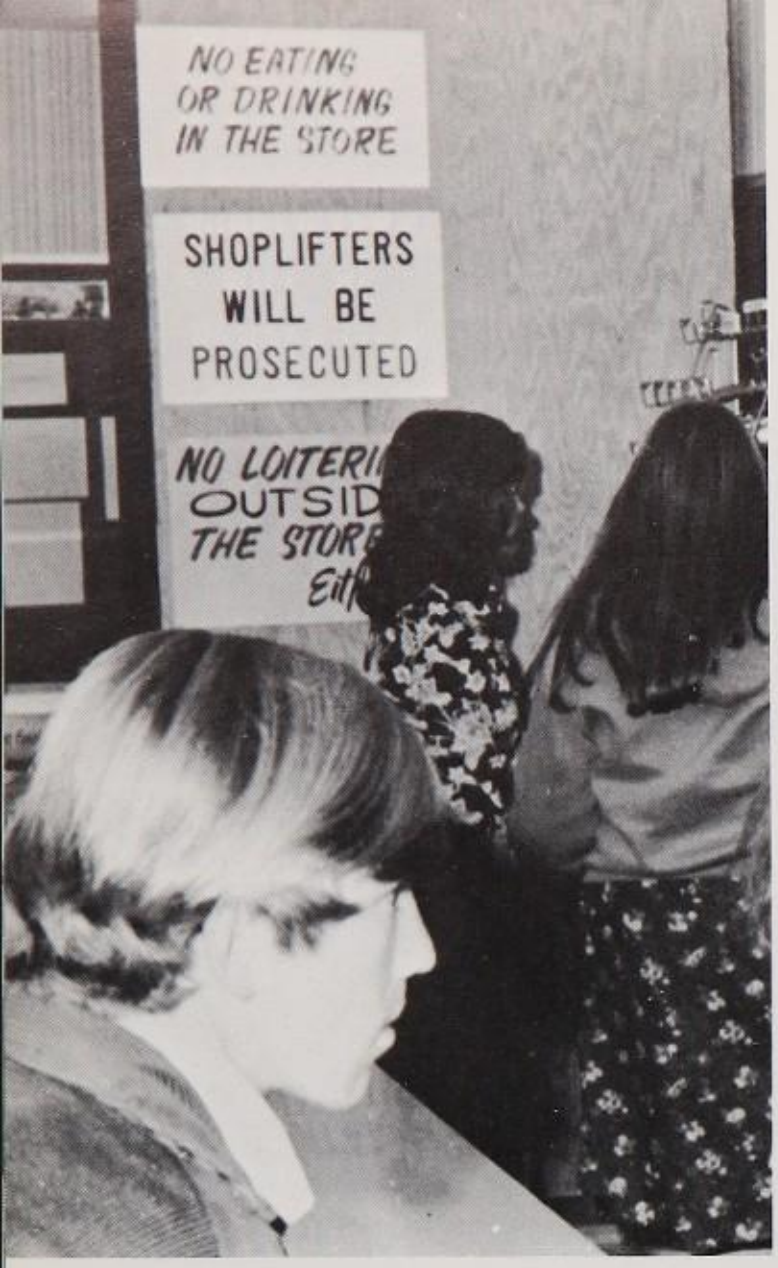
ACTIVE STUDENTS



Well, Mr. Miller's dream finally came true. Pat's Place this year was a great success. With the help of Mr. Schwandt and the students involved we turned a classroom into a live model of a store offering candy, notebooks and pencils, jewerly, greeting cards, P.H. sweatshirts and sweaters and everything else imaginable. There are a few rough spots that need ironed out but I am sure in a few years Pat's Place will become just like a college book store.

GET INVOLVED

This program deals with psychology and human problems, the first semester being a training period and the second, field experience helping others. The year started with the group putting on an orientation assembly for the in coming Sophomores. This group is also invaluable in the assistance of acquainting new students to P.H., helping introduce them to their new environment.

Peer counseling also works off-campus on independent study projects at nearby elementary and junior high schools helping tutor youngsters who need assistance. This group offers its members a most rewarding experience giving them opportunities to help others as well as themselves.

The Vocational Industrial Clubs of America (VICA) began at Patrick Henry three years ago and involves students taking classes in trade, industrial, technical and health education. VICA students will be competing in their trade skill area for regional competition, and the winners will compete at the state level. This year ther are 55 graphic arts members and 24 will be competing at the regional level. Patrick Henry's chapter will try for the third year in a row to be number one in Southern California.

In the years past, Patrick Henry has had a lack of spirit for both indoor, and outdoor sports. This year however, with the co-operation, time and patience from Mrs. Charles, Pep Squad advisor, they pulled through. The squad treaded on thin ice for the first six weeks. There was the problem of uniforms, the selection of officers, and various other difficulties, but with time the squad got themselves, and uniforms together. By the fourth game the entire squad was fully outfitted and ready to cheer. Since then the pep squad has grown, and most important Patrick Henry's spirit has grown.

Pat Roach

American Field Service is one of Patrick Henry's most important organizations. The A.S.F. makes it possible for Patriots to study abroad and for students from other countries to study in the U.S. During 1974-75 we have sponsored Carolyn Schwab from Patrick Henry to South Africa. Attending Patrick Henry are Hiroko Suzuki from Japan and Maria Granegger from Austria. Our student chapter under the leadership of President Barbara Dalton and faculty advisor Mr. George Rohrer has been involved in both fund raising activities and social events with other A.S.F. chapters.

PRACTICE MAKES PERFECT

Being a part of the Bel Canto Singers has meant more to me than just being in one of Southern California's finest vocal groups. My two years in Bel Cantos has provided me with a lifetime full of memories with music, friendships I will always cherish, and most of all, a profound sense of Joy through song. With Mr. Keller to guide us, the desire to work hard for our musical goals has been fulfilled tremendously, and extreme satisfaction has been achieved.

I advise anyone who enjoys life to make themselves available to the choral music experience.

The 1974-75 Marching Patriots have represented Patrick Henry at five parades this year, at Fallbrook, the Poway Pow-wow Days Parade, the Autumn Band Review, the Mother Goose Parade, and the Escondido Christmas Parade. They received third place at Poway, and first place at Escondido. Led by award-winning Drum Major Cheryl Wright, and directed by Arne Christiansen, the band practiced many hours to achieve this success.

The Marching Patriot Halftime Band, largest in the city of San Diego, performed at all home football games this year. This band was also led by Cheryl Wright, and its shows were enjoyed by all.

After spending years in traditionally boring classrooms, being thrust into the freedom of Patrick Henry was evidently a shock for many. This does not indicate that the solution is to cease experimenting. It indicates experimentation is needed in all levels of education to achieve that unique, satisfying theory.

Involvement among the students in school activities can only build support and spirit for the Patriot teams.

Parents and alumni shouldn't be forgotten at the events. Some sort of cheer sheet could be handed out with various cheers on it and the dates and times of activities to come.

Many students are unaware that the Patriot Press, in addition to being a means of expression for members of its immediate staff, the journalism students of Patrick Henry, is also meant to be a primary and important platform for the expression of all individuals on campus.

The staff of the Patriot Press would like to encourage all students and faculty members to utilize the paper as a vent to their gripes, creativity, applause, or revolutionary ideas.

The students in charge of the Press' publication wholeheartedly subscribe to a set of objectives recently circulated by the County Dept. of Education.

These objectives, in part, guarantee the basic Constitutional rights of expression to all Patrick Henry students and faculty members in the official student newspaper.

PATRICK HENRY'S

This year the Calif. Scholarship Federation chapter at P.H. was so big, over 360 members, that it was impossible to take one group picture without a cinema scope lens. We our very proud of these honor students who carry at least a 3.4 GPA throughout their high school years. Under the capable sponsorship of Mrs. P. Curtis this year's chapter was very active.

A.S.B. Cabinet "74-75" (Plus one mysterious Intruder)

The word "progressive" seems to reflect the philosophy of this year's ASB Cabinet. Facing unique problems, especially the large student population, the cabinet sought innovative ideas from fellow students as well as other schools. Along with the Intern program and the "You've got a friend" button campaign, the ASB initiated an Information Booth for better communication. Increased student activities and stag dances were other pluses for the ASB. In conclusion, it was a great year for the Patrick Henry ASB. SPECIAL THANKS to Mr. M.G. "Scotty" Miller for all the help.

GIRLS LEAD THE WAY IN "74-75"

1974-75 Girl's League

This year's Girl's League was most valuable and rewarding for the officers, members, and myself. We got off to a slow start, but with the help and patience of Ms. McCoy (new advisor) we made it through.

The attendance of Girl's League was fantastic, which did attribute to the success of the Winter Dance.

This year has been exciting. The activities we organized were both successful and delightful. I am proud to have been a part of such a great organization. I am also so very proud to have worked with Ms. McCoy. And most of all I am proud to be a part of the student body of Patrick Henry.

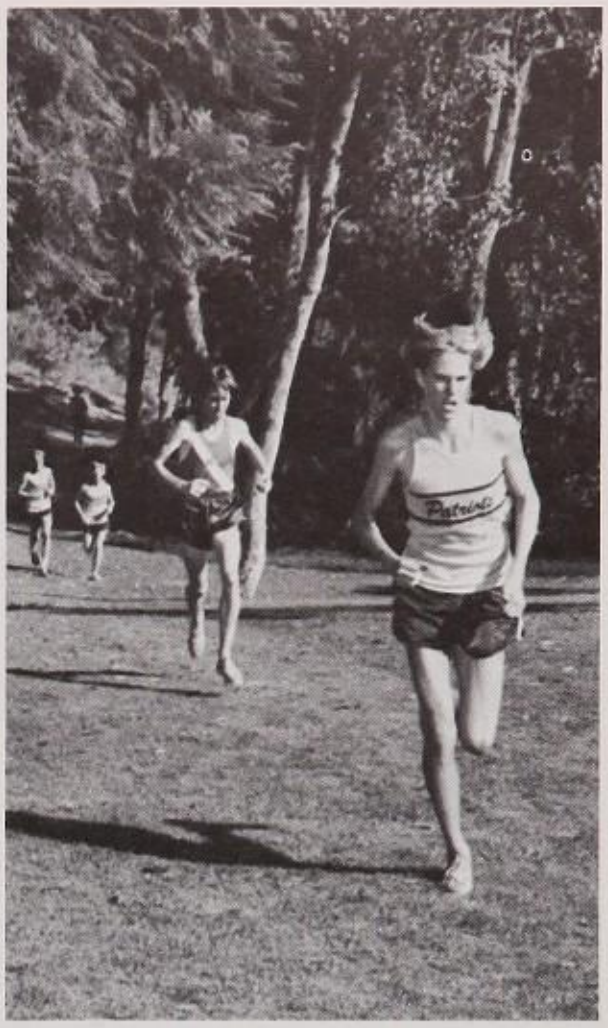
P. Becklund, the finish is on!

The 1974 C.C. team was a team of injured runners. Throughout the season, injuries spelled trouble for Varsity and JV alike. The P.H. Harriers fought through such mishaps to capture first place at both Aztec and Mt. Sac Invitational and second place at Southwestern Invitational. A high ranking in CIF looks probable for the Patriots. Throughout the season, the Pats were led by brilliant running from juniors T. Hunt, B. Harris, R. Papworth, M. Spaulding, and seniors P. Beckland, D. Bartle, D. Fiegelson, and soph. M. Gookin. Because of such fine coaching by E. W. Runge, PH Cross Country has a strong future.

T. Hunt takes the lead.



P. Becklund leads Pats to another victory.

It's up for grabs.

In its second year of league competition, Patriot Water Polo was outstanding. Experiencing various setbacks throughout the season, the team showed amazing unity and a great desire to reach CIF. Their late season victory over Madison let them obtain their goal, CIF playoffs.

None of us on the team will ever forget the work done to reach our goal or the friendships and unity we established beyond the sport.

The Pat defense was tougher than ever. Coaches Carl Iaveli and Joe Kovacevich did fine jobs in coaching them, while Mike Boblit and Mike Alexander provided the leadership needed. Jeff Coulter, Scott Howerton, Greg Dagher, and Bernard Justiantani did great jobs on the defensive line. Backing the line, Howard Kipnis, Andy Karsh, Mark Colangelo and Fred Jiacoletti all were outstanding this year. Randy Bennett led the corps of defensive backs with big plays coming from Roland Copeland, Andre Wood, Kirk Feldman, and Greg Babick.

When the Saints stop marching in.

The 1974 Patriot Football Team is one of the best in the rather short history of the school. We have combined size and strength with breakaway speed. Behind the leadership of Steve Gee and coaching of Russ Leslie and Walt Baranski, the offense has always seemed able to roll. In the backfield the running has been outstanding all year. Artie Whiting and Herb Cash seemed always able to break the big one while Mike Starmack consistantly gave us the points and yards needed. The offensive line, consisting of Tad Sullivan, Ed Compton, Chris Montgomery, Mark Gochenhour, Kevin Clark, Jeff Drake, did outstanding jobs all year.

Badminton

The 1974 girls badminton team finished the season in a three way tie for second in Eastern League with Morse and San Diego. Losing only to Hoover and Morse they finished with a 3-2 record.

Our strongest area this year was in our doubles matches. With returning players like Jeanette Lawlor, Terri Shine, Kathy Utley and Lori Montgomery constantly battling for the #1 doubles position, followed closely by Lisa McGlory, Kathy Benson, Sherry Daggett, and Kathy Day battling for the #3 and #4 positions.

Singles positions were securely held by Kim Leggett, Lisa McGlory and Kathy Benson.

This was the most outstanding wrestling team in Patrick Henry's history. Led by dynamic Coach Jim Teem, the Pats swept the Eastern League and was the runner-up to perennial power and defending State Champion Monte Vista in the C.I.F. meet. Super efforts at every weight class gave the Patriots the best showing by a City School team in the last decade. Four fine young men qualified for the State Wrestling finals at Bakersfield which was held after this printing. They were, Russ Yip, Mike Alexander, Dan Kyler and Victor Welch.

The P.H. Soccer team had the strongest team in it's history this year. We started out slow, but during league play we "put it all together." The team, however, was shocked and totally unprepared for our loss in C.I.F. playoofs to a previously beaten team. Our 10-0 win-loss record in league play reflects the outstanding all-around team playing. We will be graduating many outstanding team players this year: Jeff Adcock; Jon Adcock; Pat Corr, all C.I.F., MVP, Scott Gossman; Dave McElfrash, 2nd league, MIP, Scott Spencer; Darryl Stewart; Jim Schwartz; Mike Sutton; Cal Sweeney, 2nd C.I.F., Team Captain; Greg Woodington; Robert Zaino, all league. We had a good year in which we set the school record of scoring 87 goals. There will be many outstanding players returning to make an even better team next year. Good luck future P.H. soccer teams!

Volleyball

This 1974 Volleyball season really did some "looking". The varsity shared the title of Eastern League champions with Crawford and ended up with a record of 9 wins and 1 loss. The varsity also went to the quarterly finals of the C.I.F. play offs. Two of our outstanding seniors have played all 3 years at P.H., Janet Gorder, (captain), and Patricia Buckby. Other great seniors are Janet Murr and Kathy Schultz.

The junior varsity saw some action and ended up with 7 wins and 3 losses. Seniors on J.V. are Kandy Johnson and foreign exchange student Liz Nilsson.

Look for us next year, for we'll be tougher and more determined, after all we've got that "P.H." spirit!

Water-logged?

The Patrick Henry Swim Team going into the 1975 season had one goal in mind, we wanted to be Eastern League Champs. To accomplish this we had to beat our biggest rival Crawford, who has never lost a meet in their own pool. Past Henry teams have always been good, but when it came time to decide Eastern League Henry had always settled for second to the too powerful Crawford. It was just a way of life. Then two years ago came Coach Owen who tried to turn the situation around and after building a team for two years finally came up with what he wanted, A team that would take Eastern League and possibly a team that would take CIF. This year's team will remain with us throughout our lives, not just as athletic togetherness but more important the deep friendship we have for each other.

This year's basketball season was a growing experience. After a successful summer the Patriots were the team to beat. The Patriot team was a machine with many parts. There were no superstars or any great amount of physical talent but a group of players that worked and ran successfully together. Unfortunately due to injuries and illness the team unit suffered but through intensified effort the season was still a success.

Scott Godwin, Gerry Kramer, Mitch Williams, Mike Hartley, John Cylke and Wayne Hickey led the way to the CIF playoffs where the Pat's made an impressive showing. Patrick Henry should continue to be a dominating figure in basketball with the return of junior Tom McGovern and sophmore Michael Gay.

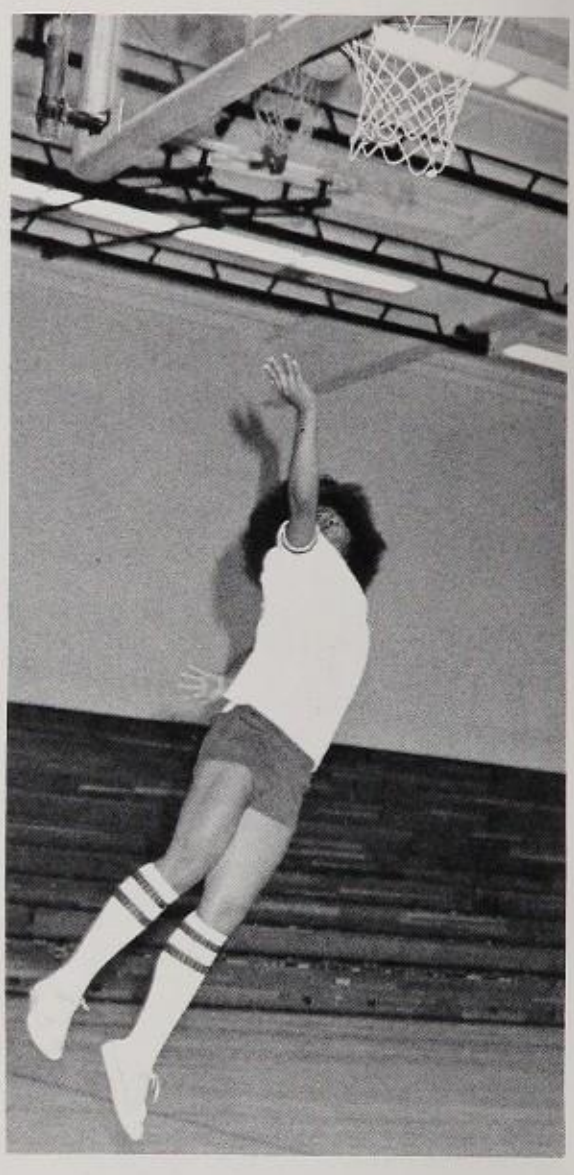
THINKING OF SINKING



Perfect layup shown by Melody Petty

The 1975 girls basketball team is lead by seniors Tari Rhea (captain), Kim Ellis and Marty Martin. This year's team, by developing a man for man defense, is looking toward the CIF playoffs. This is the first year that girls basketball will have CIF playoffs and our team must finish first in Eastern League or have a very good win loss record to advance to the tournament. This year the Varsity team will travel to El Centro for an intradistrict game and participate in an Easter Vacation tournament.

The Patriots Gymnastics team has won the CIF Title since the school opened. This year's group will be out to carry on the tradition. Serious competition will be offered by Madison of the Western League. Led by letterman Rudy Heald, Joe Gagliardi and Sam Lloyd, and an outstanding sophomore David Groeger, the Pats have another outstanding team.

Nan-

Its hard to say somethin' good & memorable after all this time ajeatin' lunch with you, Deb & Ralphy. All I can basically say is that its been lots of fun. I'm glad Ralph got his car privilage back. I'm even more glad you made drill team & I know you will be damn good. Take care & God Bless.

SOARING WITH THE WIND

Patriots step ahead

Girls Track

The 1975 Henry girls track team appeared to be headed for an exciting early season with several new schools added to the pre-season schedule. However spring rains washed out many of these hopes. The season started with an easy victory over Vista which was followed by a month of rain. The expanded schedule of the 1975 season included meets with outstanding western league schools at Pt. Loma, Madison, Clairmont and Vista.

Coach Denis Dolbey has high hopes that this year's team will make a good showing come the end of the season when the Henry girls will be pitted against the best in the country in the S.D.C.I.F. finals, which should go on to the state meet being held here in San Diego in June. If the team continues to improve over the next few years P.H. will have another championship team to add to its rolls.

NETTERS BUILD FOR FUTURE

Jeff Solomon displays fine forehand.

With only one senior on the varsity, this year's tennis team is a very young one. However, with a lot of potential they are considered strong competitors for the Eastern league title. Lead by senior Ben Schiff and returning lettermen Lance Templeton, Mark Standlee, Kevin Sweeny the Patriots have a good nucleus to build on. With a strong group of young players led by Ken Calder, Jeff Solomon, Cam MacInnes, Mike Carey and Kenny Oppetty the Patriots have already defeated St. Augustine who was considered the strongest competition for the league title.

With the goal of repeating as C.I.F. champs in mind, the 1975 Patriot Baseballers started off the season on a winning note, winning four of their first five games. After that, there was no stopping the Patriots. Although this year's team lacked the size of Patriot teams in the past, they made up for it with a combination of speed and hustle. Steve Kosic, Ron Forbes, Brian Cross, and Wayne Weller provided considerable hitting power, enabling the Patriots to score the runs needed to win ballgames. With an excellent defense provided by infielders Steve Kosic, Mike Reynolds, and Matt Powell, the pitching chores were made much easier to handle for fireballers Steve Sherman and Dave Disbro. Catcher Mike Milner, outfielder Andy Karsh, and utility man Jim Miller also played an important part in the overall success of the team. With the abundance of talent and the guidance of Bob Imlay, the 1975 Patriot Baseball Team enjoyed a truly successful year.

PEOPLE

This year's Senior Class was the largest in the county and also the best. It was the quality and quantity of our class that made our numerous activities so successful. Responsible leaders were also numerous as was evident in our capable committee chairmen.

As seniors, we had two objectives this year: first and foremost, to graduate and secondly, to have the best time possible while doing it. Both goals were definitely reached as the largest graduating class enjoyed their last year of high school.

My job as President was exciting and full of personal satisfaction thanks to the help of my cabinet and many other concerned seniors. Vice President Kathy George was well informed on running the affairs of a senior class, as were Treasurer Carrie Roda and Secretary Renee Killeaney. But as usual, Mr. Miller was the foundation of our success.

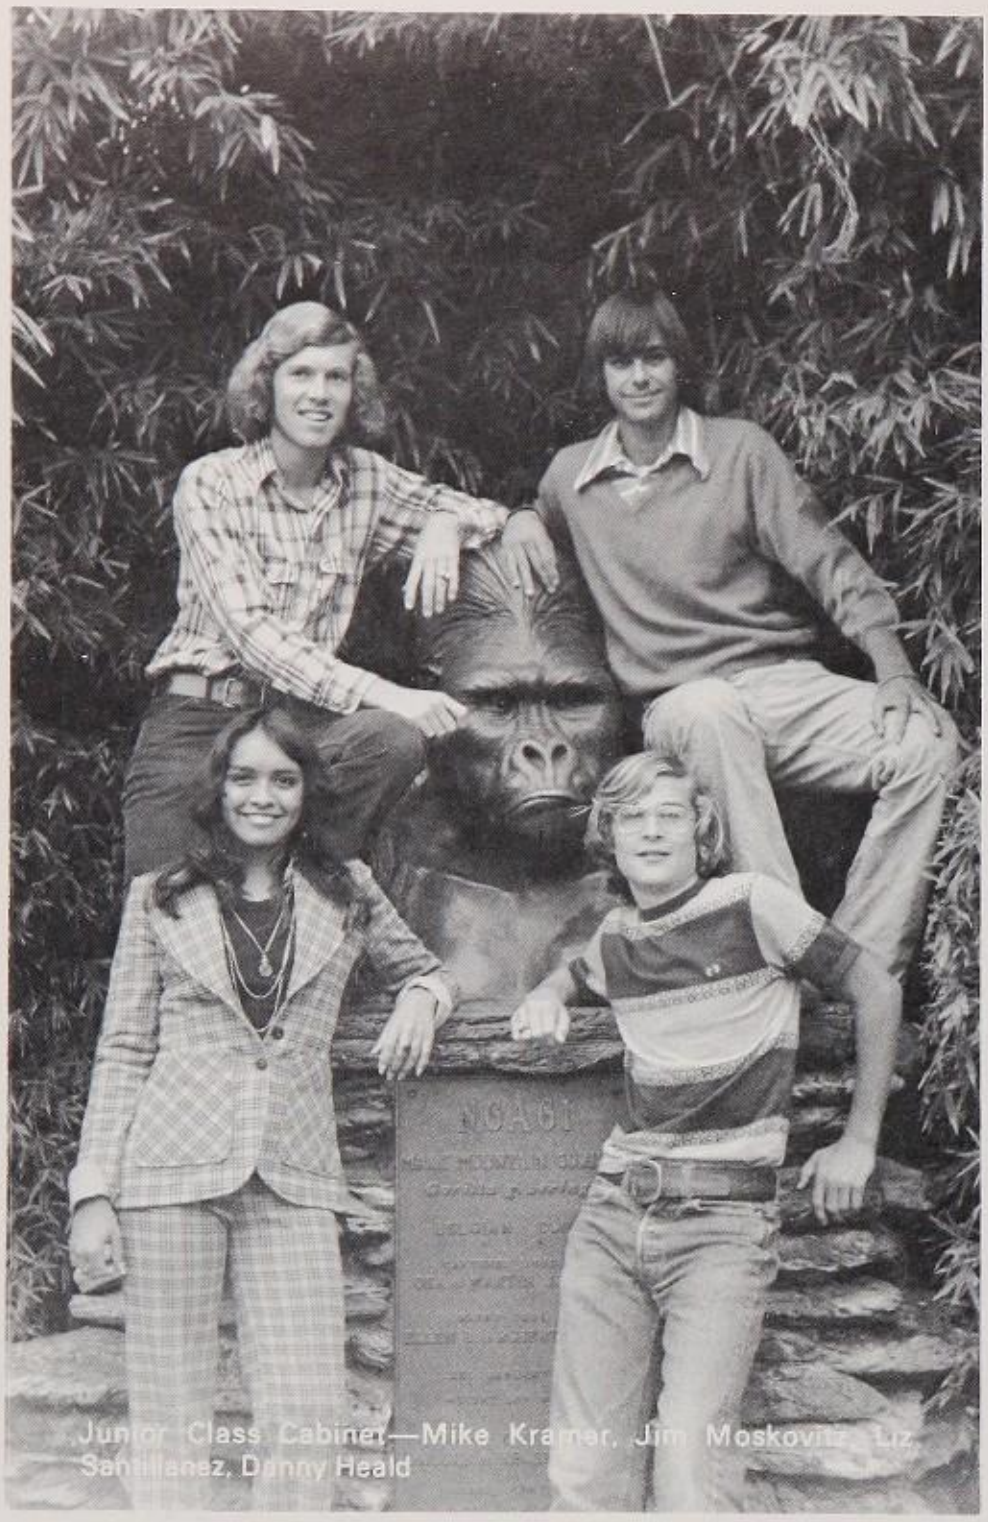
JUNIOR CLASS OFFICERS CORRAL THE HERD



Junior Class Cabinet—Mike Kramer, Jim Moskovitz, Liz Santillanez, Danny Heald

The class of 1976 started off this year impressively. A small group of dedicated students began by building an inspired Homecoming float which earned the Class of '76 a first place trophy for the second year in a row.

Obviously a spirited class, we enthusiastically provided support for all Patrick Henry activities. A trip to Magic Mountain highlighted a fine year, which ended with a memorable junior prom in May.

ADVISOR'S NOTE

One of the most frustrating aspects of the teaching profession is that most of the time a finished product is never realized. Being the advisor of this fine yearbook at least offers this teacher a sense of fulfillment. At this time I would like to acknowledge the outstanding young men and women who have created, organized, and produced Encounter VII. No one can appreciate the anxiety, frustration, and just hard work that goes into the production of such a fine high school yearbook. Let me give a few special thanks.

First, the excellent photographers including Anthony Dunn, Mr. Clark, Mr. Schaffroth, John Valdez of Busco-Nestor Studios; and a special PAT ON THE BACK to Paul Nestor ON WHOSE BACK I was all year.

Second, to Mr. Bruce Smith and Pischel Yearbook Company whose patience and cooperation got us through trying times.

Lastly, to Jenny Mastronski, Editor-in-Chief, who provided tremendous leadership, instruction, and inspiration to the staff and invaluable assistance to me.

M.G. Miller

Now that the first of what will be three trying and perplexing years is over, the Class of 1977 can look back and wonder, was it all that bad? We had a volleyball game between the girls and guys, which the guys won. We raised some funds towards our senior year by selling subscriptions to Prep Athlete Magazine. The bagel sale we had helped bring in some "dough"! The Class also distinguished itself in many scholastic areas, as well as being the largest class in the history of San Diego.

FACULTY

1974-75 has been an interesting year. Our large enrollment caused a significant change in the time schedule. Elimination of night athletic events and the increase in girls' sports have caused too many students to either miss needed classroom learning or opt to drop a course in which they were interested.

Patrick Henry students continue to manifest a desire to enroll in courses which are relevant to their interests and needs. Fundamental Data Processing, Health Foods, Family Relations, and Urban Geography are a few of these electives. Advanced Placement classes have enabled many of you to earn college credits while in attendance at Patrick Henry.

I sincerely wish the class of '75 to have great success. You have been one of our best!

Business Education

The Business Education Department has added two exciting new features this year to further its goal of offering a variety of elective courses for both personal use and vocational training. A new course called ASK (Attitudes, Skills, and, Knowledge) has been developed for sophomores. This unique one-semester course is completely individualized—units may be challenged and students work at their own pace.

The Business Department has also assumed management of the school store, Pat's Place. The store serves as a "lab" for marketing students who are training for jobs in distributive occupation fields.

Driver Training

This is one of the most sought after courses at any senior high and Patrick Henry is no exception. Behind-the-wheel practical training in driving and skill in learning the rules of the road are the objectives of this three week course. Each student, in order to get their license at age 16, must successfully complete this course. In addition to getting a license at an earlier age, completion of this course also entitles a young person to a reduced insurance rate. P.H. has five full time driver training teachers who instruct in cars donated by local car dealerships.

Industrial Arts offered a wide variety of courses giving the selective student a chance of studying the modern technology of today. This was accomplished in two ways. First, those students interested in developing usable job skills could enroll in the occupational programs found in Electronics, Graphic Arts, or Metals. Secondly, those students interested in self improvement skills were accomandated in such traditional classes as Drafting, Electronics, and Woodworking. In order to meet the needs of the Patrick Henry student it was necessary that several of the instructors assume dual teaching assignments to meet our objective of equipping the student to be productive members of society through a knowledge of occupational skills and consumer awareness.

Award winning is the description most Henry followers would give to this small but so creative group of classes. Whether it be the Marching Patriots, the Bel Canto singers, the Drama productions, or the Debate team, this department has entertained the students and community for years. Under the leadership of Mr. Arne Christiansen in Music & Mrs. Ann Archer in Drama & Speech Arts, this department has expanded its instructional & extra-curricular program extensively to offer a wide variety of offerings for Patrick Henry students.

With a staff of 13 teachers, we are instructing over 2000 students in the sciences. We estimate that near 50 community speakers will be brought in as authorities in the fields and careers of interest to the students. We will be taking classes on field trips to the San Diego Zoo, Wild Animal Park, Tide Pools, among many others. We expect to hurdle many difficulties this year presented by a 55 minute schedule which could severely limit learning experiences we have used in the past. New courses include Chemistry 3-4 and Biology 3-4 both of which should enable students to pass placement exams for as many as eight semester credits at state and university colleges.

If there is a student here interested in science related careers, he will find we are prepared to help him arrive at his goal.

Sixty per cent of the student body at Patrick Henry elected to enroll in one or more of the seventeen courses offered by the Mathematics Department. Course content ranged from General Math to Honors Calculus. Eighty per cent of the 2400 students in math classes took one of the standard courses in Algebra, Geometry, and Trigonometry. Other courses offered included Technical Math (featuring practical applications of math to technical problems related to shop work), Logical Reasoning (introducing development of the skill for placing everyday experiences and arguments in logical form, with emphasis on validity testing), Computers (an introduction to the operation and programming of desktop computers), Time Share Terminal (implementing a program for enrichment topics in programming and Mathematical concepts amenable to computer solutions). The department also offered Math Seminars in probability and Modern Algebra for non-math/science oriented college prep students interested in majoring in such areas as life science, the social sciences, and business.

Second Language offers opportunities in five languages on six levels. Spanish is the leading language of choice for a majority of our students with German, French, Hebrew, and Russian attracting the rest of our enrollment.

Patrick Henry has planned a tutorial course now officially adopted for use in the district. Spanish students in their sixth year may choose to study for advanced placement in the California unversities. Patrick Henry students have earned many college credits in this way. Second Language, in conjunction with AFS, presents dessert night-an international entertainment evening that is becoming an area tradition. Patrick Henry students elect to study languages in consistently high numbers and we hope this will always remain true.

Bogan, Jacqueline my future, I hope for many things and I know I've accomplished one step toward my goal and that is graduating. Many times I pondered the thought, would I make it, not because I'm black in a white school fighting for a chance, but would I make it because of me. The person I am, the emotions, ideals, and attitudes that make up my being. Knowing that I've taken the first step successfully, I can look within myself and know I've got the courage to strive for many more steps.

Brown, Janet Praise the Lord! I actually made it through high school! Class of '75 I want to thank you for letting me graduate with you. I'll always remember watching soccer games with GS and MF, playing football in the mud with BM and PG, spending 2 whole yrs. with something called Szfranski and something else called Rosenberg. Drama students, galore! Having my gum hang out of my mouth, while doing a monologue. Loving JY for a whole year! I'm not coming back if I can help it! Bye Henry, forever!!!
Brown, Santa My years at PH will always have a place in my memories. I'll never forget how MS and I used to do things that other people never thought about. I also will never forget the time MS & I were getting a head on the gym field and a coach walked up on us. I'll also remember riding those raggedy busses to school with MF, SW, and the rest of the gang who liked to have their heads right before we got to school. Yes I'll always remember my two years at PH because of the trip it was.
Bryce, Susan having so much fun in 10th with DM, the best times ever with PR and loving every minute of it. GL moving and missing her so much, all the dumb whipcream fights and banana eating contests with CL at Fosters, Rip Van Winkle and Plum Hollow with CL at Disneyland, the big red tuna-boat and now my foldable frenchie (Susie's Simca) the horrible haunted house with AM, DM, and JT. Crockett, Rene I can't believe I'M almost there. I've waited all this time to be in my last year of Sr. high. And now that I'm almost there, I think I'm going to miss it. I've met so many very nice people, and I don't just mean students. Mrs. Honeycutt & Mrs. Gilliam are really sweet. I really hope that someday PH students will realize that all people are not created equal, but all were created people.
Crockett, Sheila Life hasn't been a bed of roses nor has it been stickers and thorns, the many mistakes I've made have hurt and taught me well. The sacred and good have found a warm and cozy place to settle in my mind, to be awaken everytime I search for those special memories, I've come a long ways and I've got a long ways to go, because the challenging road ahead bends and turns as well as leads a straight path. With those who love me, my parents and family and those whom I love dearly, and with God on my side, I can make it. Love, Sheila

Luntzel, Gregory I sit beside the fire and think if all that I have seen, of meadow flowers and butterflies in summer that have been; of yellow leaves and Gossamer in autumns that there were, with morning mist and silver sun and win upon my hair. I sit beside the fire and think of how the world will be when winter comes without a spring that I shall never see. For still there are so many things that I have never seen: In every wood in every spring there is a different green. I sit beside the fire and think of people long ago, and people who shall see the world that I shall never know. But all the while I sit and think of times there were before, I listen for returning feet and voices at the door. I listen for returning feet and voices at the door JRR Tolkien

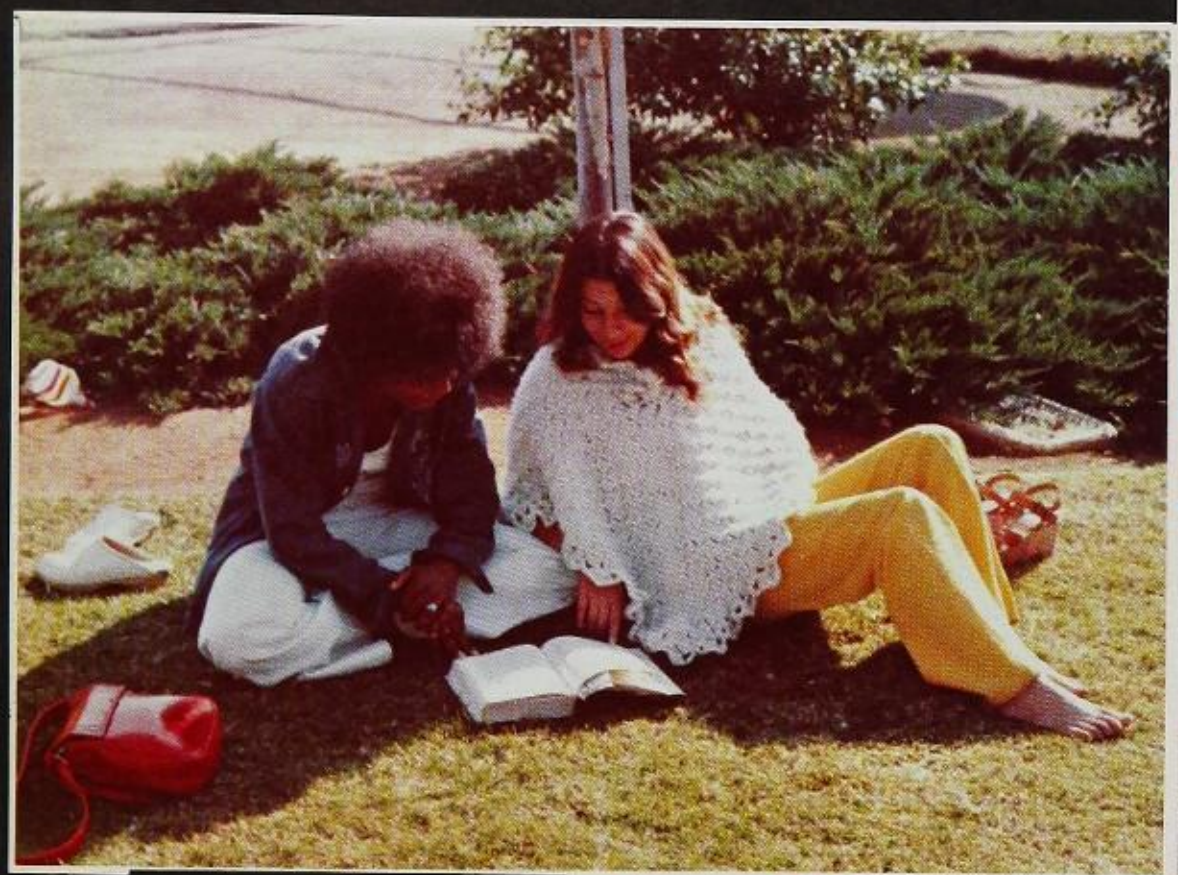
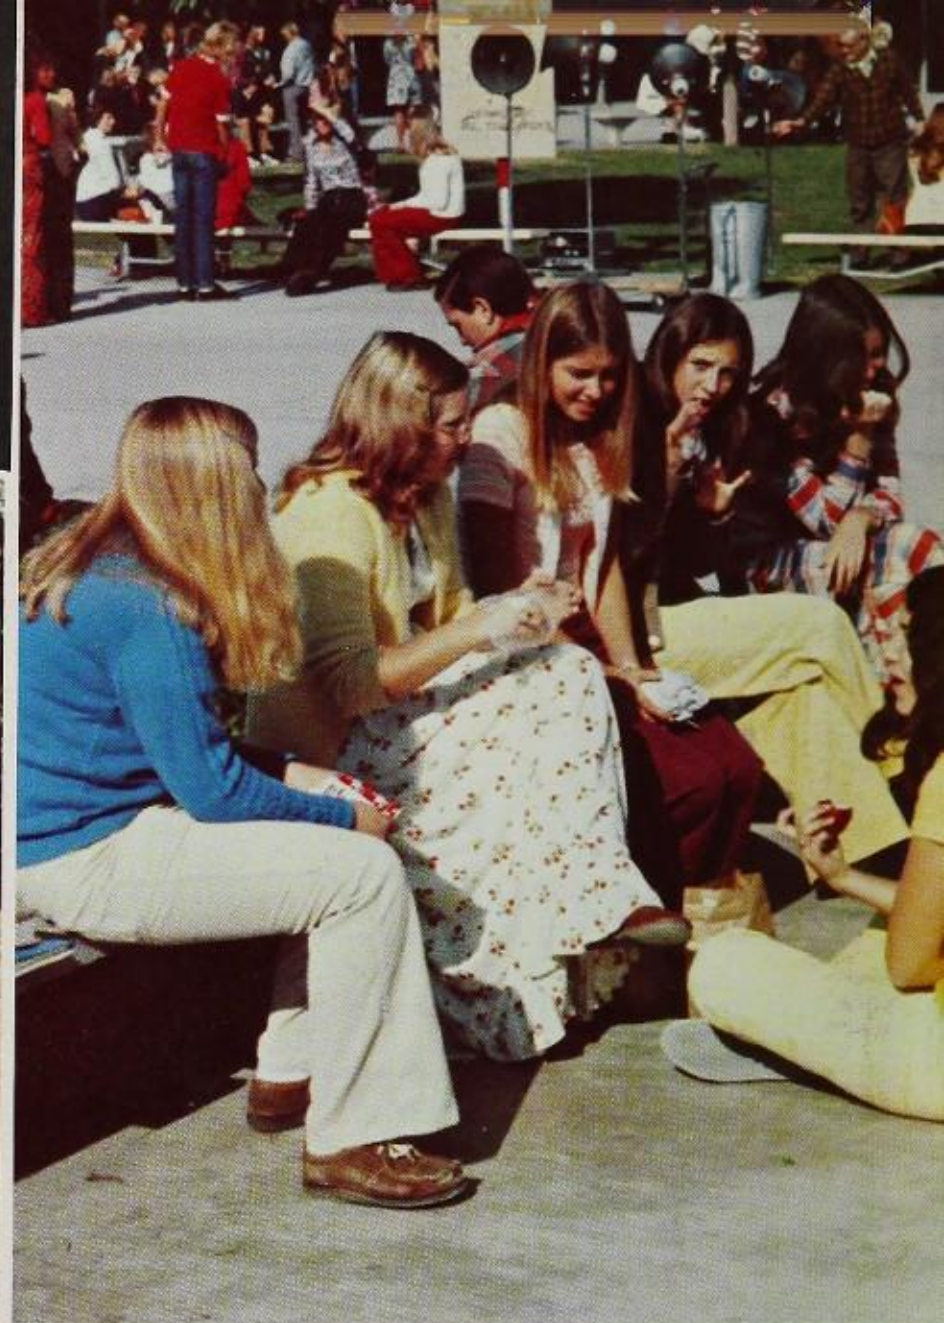
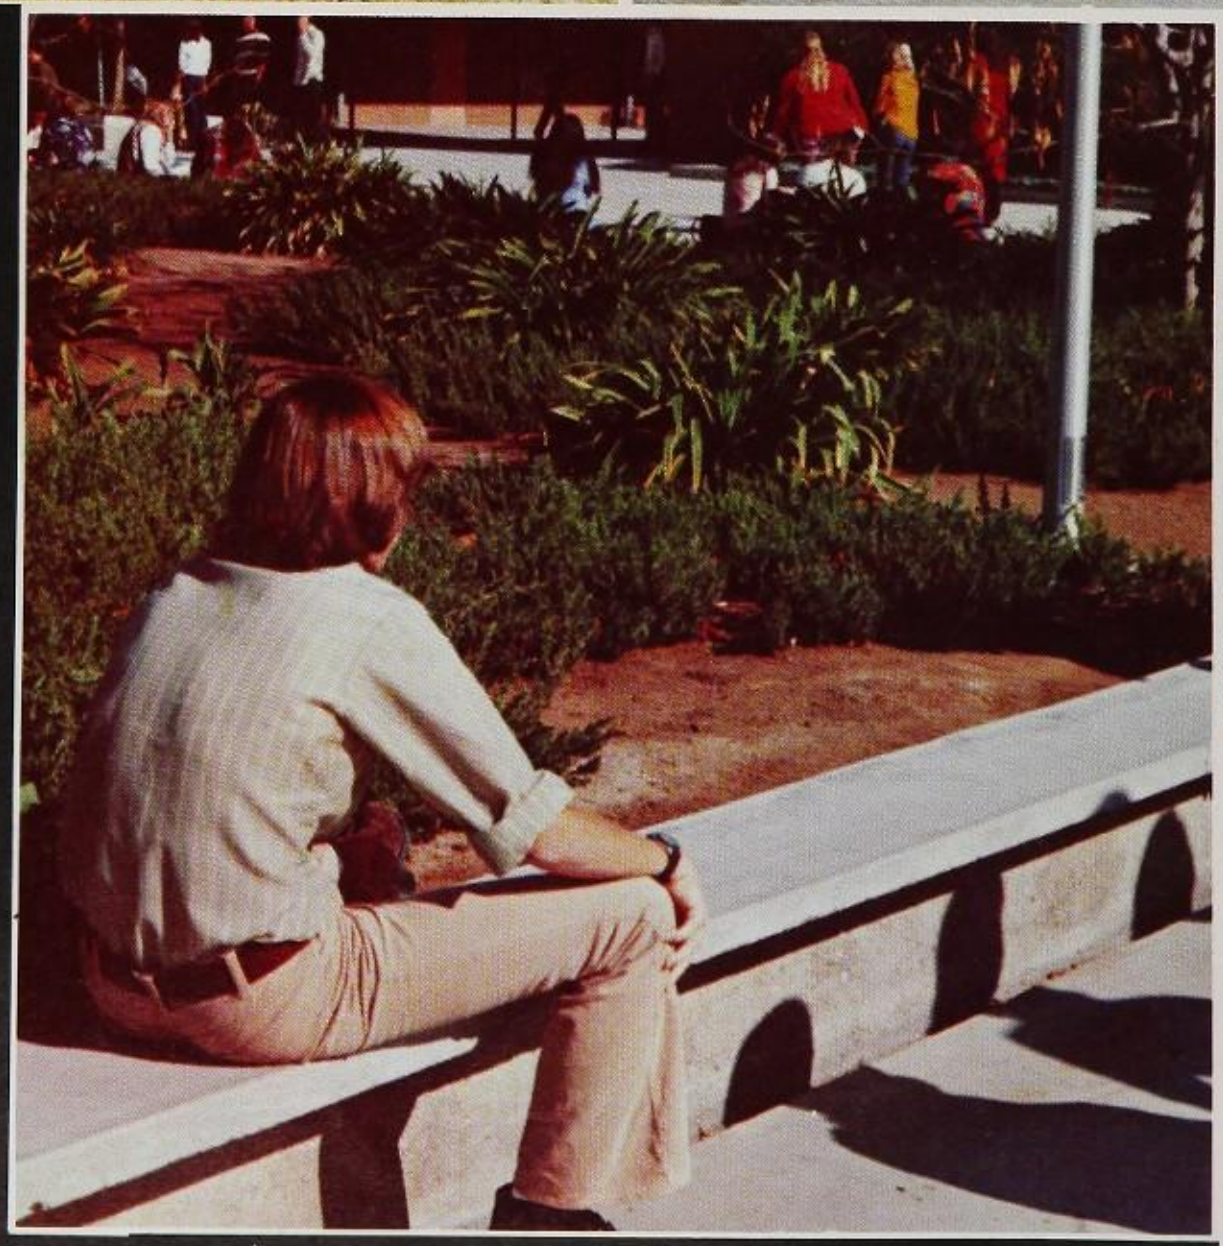
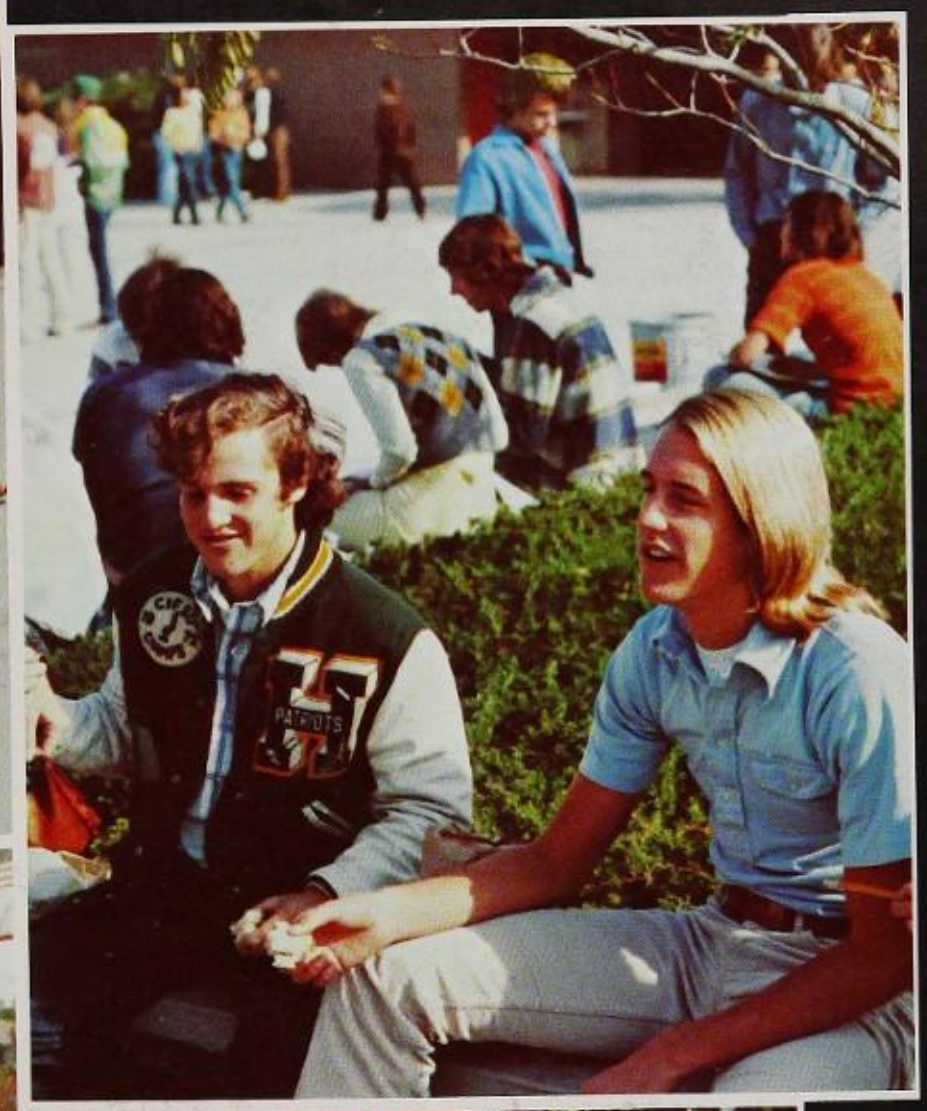
Reach out and touch
Somebody's hand.
Make this world a better place,
If you can.

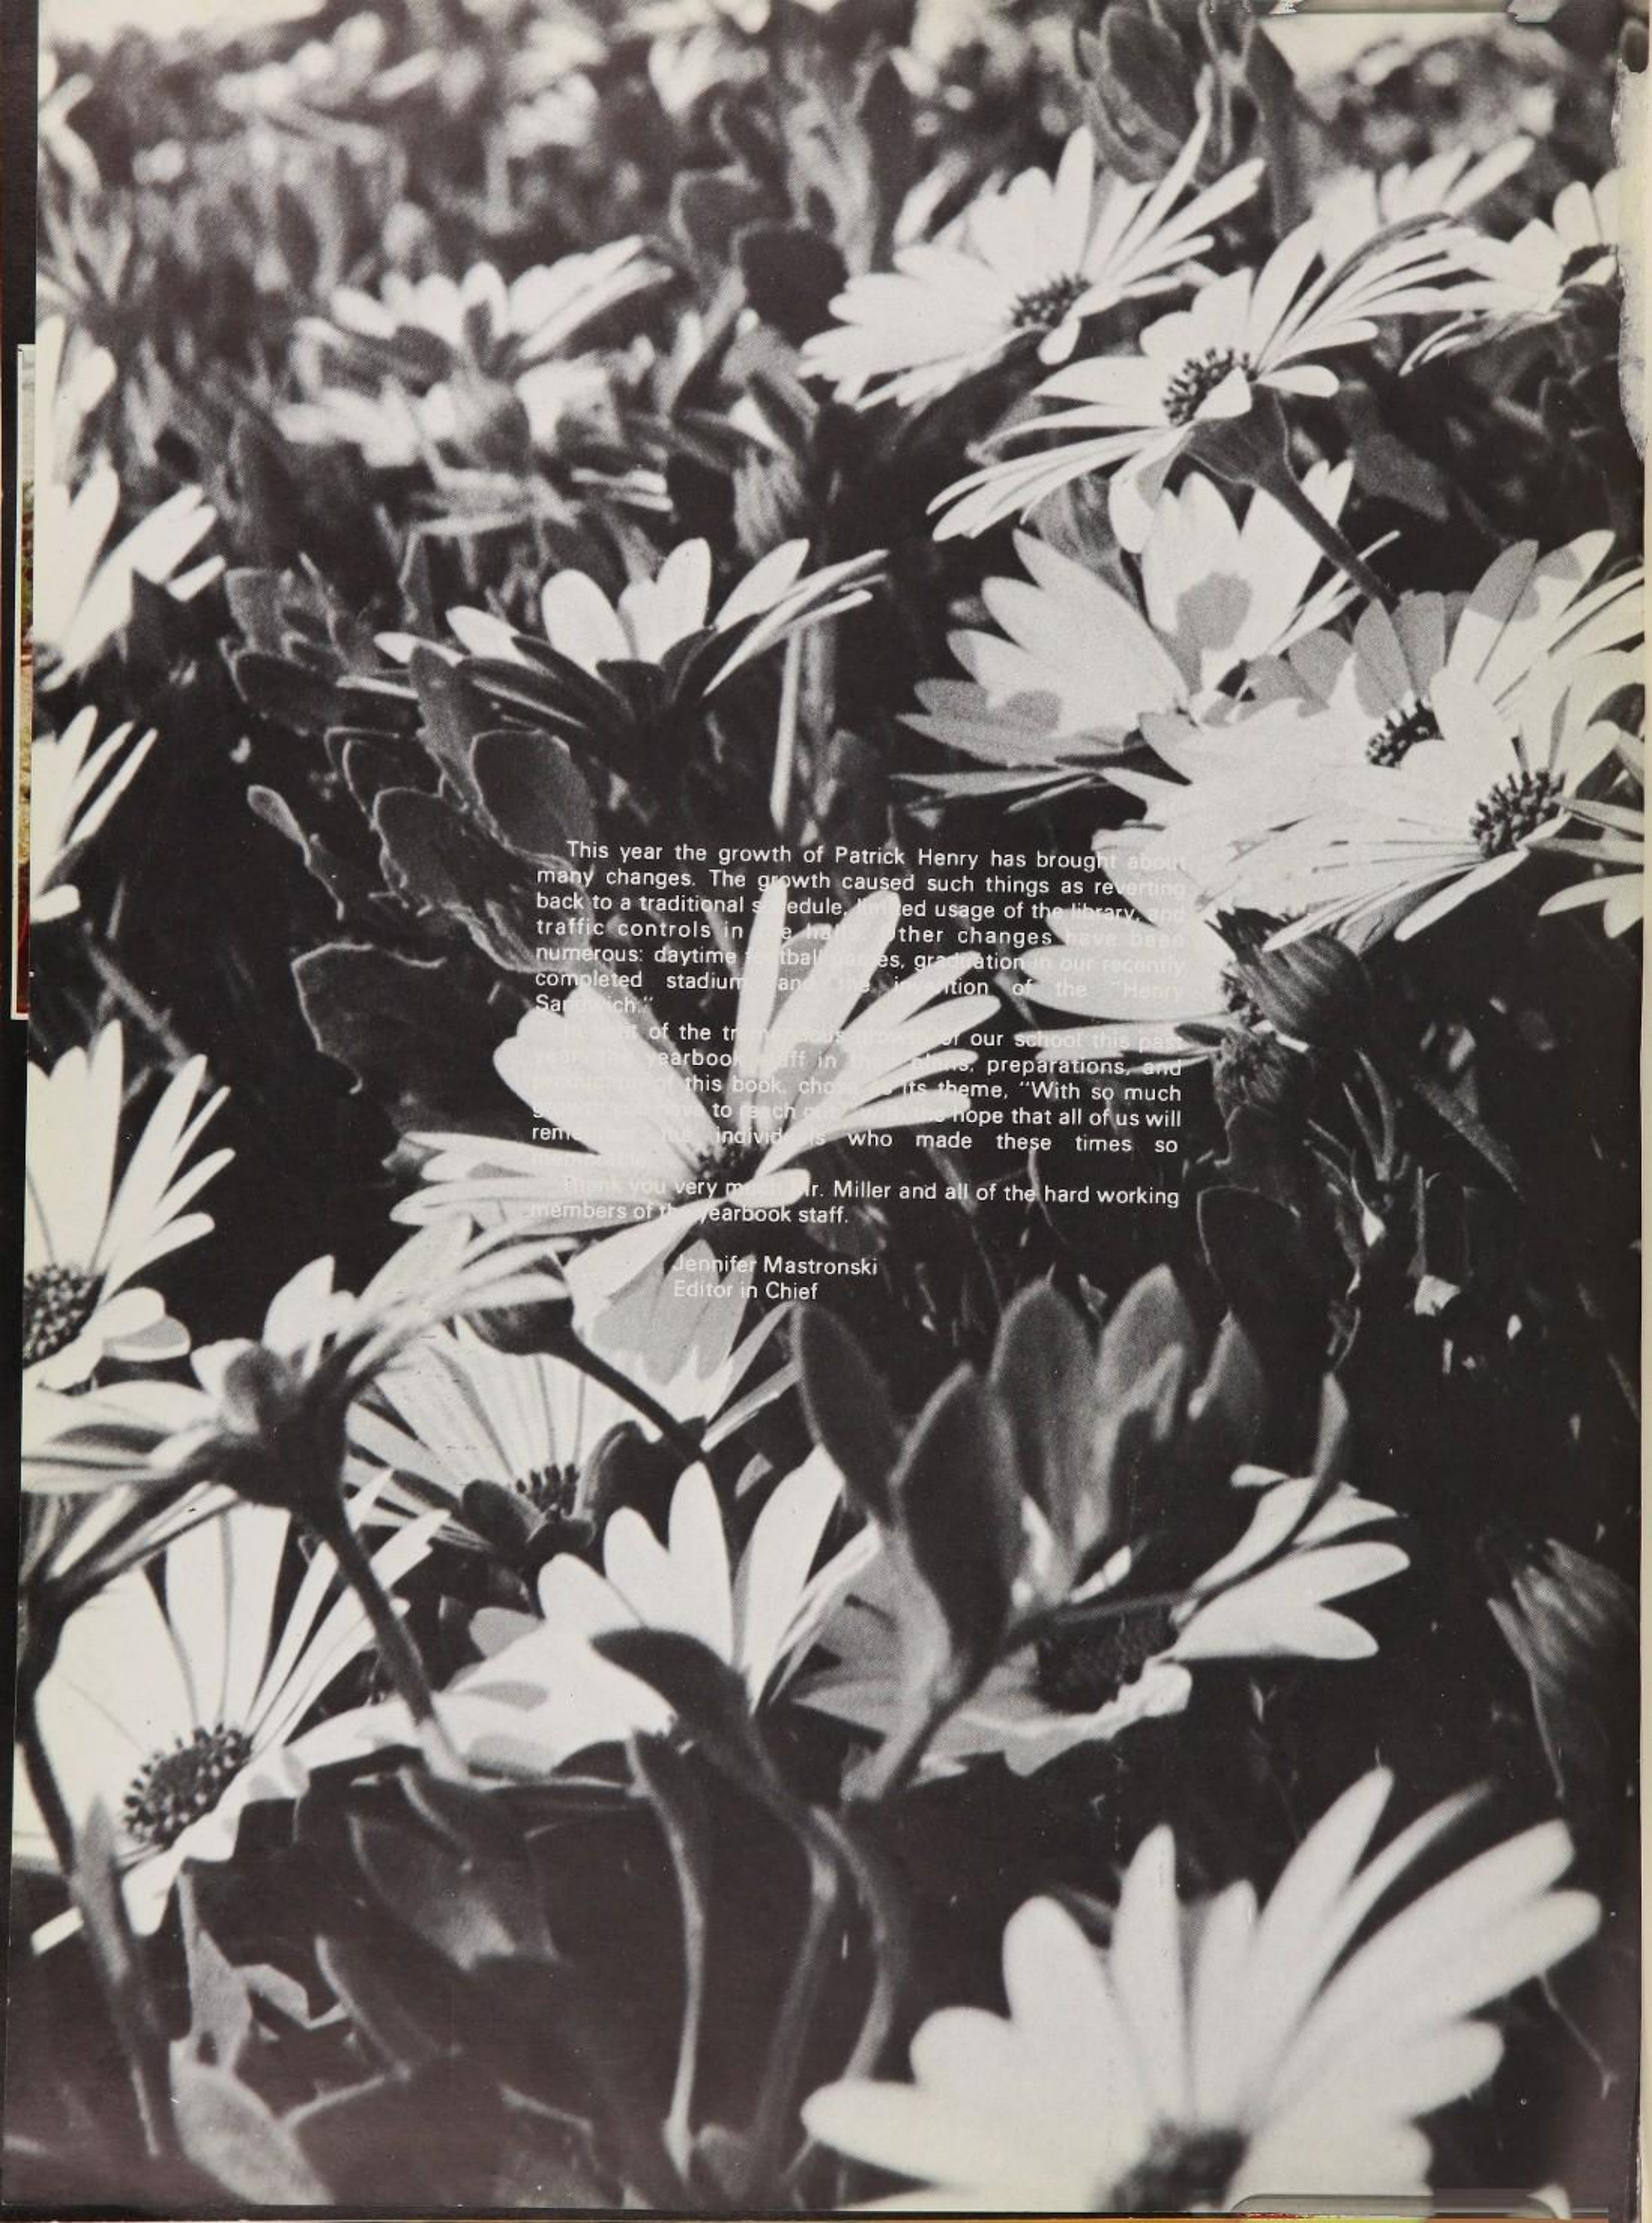






Take a little time out of your busy day
To give encouragement to someone who's lost the way
Wouldn't be talking to a stone,
If I had to ask to share a problem that's not your own.
We can change it, if we start giving.





This year the growth of Patrick Henry has brought about many changes. The growth caused such things as reverting back to a traditional schedule, limited usage of the library, and traffic controls in the hallways. Other changes have been numerous: daytime football games, graduation in our recently completed stadium, and the introduction of the "Henry Sandwich."

Each of the traditions and events of our school this past year [illegible] yearbook staff in their plans, preparations, and [illegible] this book, choosing its theme, "With so much [illegible] to reach out to..." We hope that all of us will remember the individuals who made these times so [illegible].

Thank you very much Mr. Miller and all of the hard working members of the yearbook staff.

nance:

We've had alot of good times. All we ever do is laugh! I'm really glad we got to be friends because you bring me up when im down and you really showed me how to have a good time. Maybe next year we will have some classes together and we can become better friends. During the summer we'll have to go to 31 Flavors and see Mark and get some Moa-Moa punch then we'll go buy a Emy-Meeny-Bikini and then we'll go see Kenny Kapecky. no, really call me and we'll go do something. Good luck with Drill Team i know you'll really be good 'cause you're so excited! I sure hope the "love-affair" doesn't die down because we've had such attacks watching it! Well it looks like im running out of room. Keep laughing & ill see you in Summer School

Nancy,
You're a really fantastic person — a little crazy at times but still. Have a fun summer and good luck always! I hope I'll see you around next year!

Love,
Connie Reuerswander

Nancy,
I'm so glad we all made drill team. We're going to have lots of fun. You're super cute and fun to be with. Have a great summer! I'll be seeing ya!

Love,
Linda Sewell

Nancy, we
Didn't we
have fun in gym
running the mile
every Friday? I'll we
lucked out of it sometimes!
Congradulations on making
the Drill Team & I know we'll
have lots of fun together. Remember
the breakfast we had in our pajamas.
I'll never forget your red & white
footed ones. Have a fun summer
you next year!

Kathy
(a fellow Liberty belle!)

Well Nancy,
Where do I start? How about at the beginning?! We've known each other for almost 14 (wow!) years and were still (what a miricle!) good friends and I'm really glad. Don't ever forget all the crazy things we did when we were little- dress-up parties, etc. Frankly, I don't see how you could! I'm really looking forward to next year when you and Sue will be in the drill team and me in the band. It's gonna be such a blast! Well, take care and I'll see ya later.

love always

Lori

Nancy,

What can I say, you've been a great friend and someone who listened to me when didn't want to. It's been fun in Spanish and thanks for all the help. We'll have to play raquet ball this summer if you want to.

Your really a great person, you've got your head on straight and you know where your going (wish I did!).

Sorry for the times I was drunk I'll try not to do it again.

I know you'll become a great artist someday and the captain of drill team. Have a great summer and call me up sometime.

See ya

Love always
